

Ayşe Hümeýra San

Psychologist & Mental Health Counselor

Hingham, MA • (857) 234-3665 • a.humeyrasan@gmail.com

PROFESSIONAL SUMMARY

Psychologist and Mental Health Counseling graduate student with 15 years of direct client-facing experience in community-based social service settings, including six years delivering government-funded psychosocial case management to families affected by substance use, bereavement, and poverty. Experienced in assessing family needs, connecting clients to health, educational, and social resources, and designing and coordinating community programming and family education. Trauma-informed, culturally responsive, and fluent in Turkish and English. Seeking to apply this background to coordinating mental health and Opioid Use Disorder services for Hingham residents.

CORE COMPETENCIES

Case Management & Care Coordination • Substance Use & Recovery Support • Resource Navigation & Referral • Crisis & Grief Support • Trauma-Informed Practice • Family Systems & Parent Coaching • Community Outreach & Program Coordination • Psychoeducation & Group Facilitation • Developmental & Psychosocial Assessment • Interagency Collaboration • Bilingual Service Delivery (Turkish / English)

PROFESSIONAL EXPERIENCE

Psychologist / Case Coordinator

2012 – 2018

Bağcılar District Governorship — “Vefa-Yet” Project · Istanbul, Turkey
Government-funded community social services program

- Carried an ongoing caseload of vulnerable households in a high-need urban district, providing psychosocial assessment, counseling, and case coordination to widowed women and their children.
- Worked directly with adolescents and young people involved in substance use, and with their mothers — delivering individual counseling, family sessions, and structured support to caregivers navigating a child's substance use.
- Supported women bereaved by a spouse's substance-related illness or death, addressing grief, stigma, family instability, and the long-term impact of a parent's substance use on children in the home.
- Connected families to district health, education, financial-aid, and social service resources, coordinating with schools, municipal offices, and community partners and following up on referrals.
- Designed and ran parent seminars, psychoeducation groups, and community events to reduce isolation, strengthen protective factors, and build family engagement with services.
- Conducted developmental screening of preschool-age children (ages 3–6) using the Denver II Developmental Assessment Test and referred for further evaluation as indicated.

Psychologist / Counselor (Telehealth)

2018 – Present

EvimdekiPsikolog · Remote
Online counseling platform

- Completed 2,000+ individual and family counseling sessions with clients across the Turkish diaspora, including immigrant and refugee families adjusting to life in a new country.
- Provided solution-focused, short-term counseling for anxiety, depression, grief, parenting stress, and family conflict, including families coping with a member's addiction.
- Maintained confidential case notes, assessed risk, and referred clients to in-person and specialist services when a higher level of care was indicated.

Professional Aide

2022 – 2023

Belmont Public Schools · Belmont, MA
U.S. public school system

- Supported second-grade students requiring individualized attention, including children with behavioral and emotional needs, within a U.S. public education setting.

- Collaborated daily with classroom teachers, specialists, and families; gained direct working knowledge of U.S. school systems, mandated-reporting expectations, and student support structures.

Psychologist

2011 – 2012

Yaşam Işığ Private Special Education Center · Istanbul, Turkey

- Provided individual counseling and family support to children with developmental disabilities and their caregivers.
- Taught community integration and social-living skills; led parent and guardian training seminars.

Psychologist

2010 – 2011

Ana Şefkat Private Special Education Center · Istanbul, Turkey

- Delivered psychoeducation and social skills training for children with disabilities.
- Ran parent education seminars and provided ongoing emotional support to families.

EDUCATION & CREDENTIALS

M.Ed. in Mental Health Counseling (in progress)

2023 – Present

Bay Path University · Boston, MA

B.Ed. in Psychology

2005 – 2010

Fatih University · Istanbul, Turkey

Pursuing clinical licensure in Massachusetts through current graduate program; willing to obtain LADC / LSW credentialing. Able to clear CORI and additional background checks.
